

## MugToGo™ holders

- MugToGo holders convert coffee cups into disposable mugs.
- They replace coffee sleeves offering more functionality of a mug.
- We can carry 3 cups with MugToGo in one hand eliminating drink trays.
- MugToGo fits car cup holders because it is positioned high on the cup.
- MugToGo fuses to a cup when filled with hot coffee to increase safety of handling.
- A flap at the bottom of the handle forms a soft ledge for the finger.
